2. Section 6Q of the Mussalman Wakf Act, 1923, as amended by Bombay Act X of 1944, provides for the annual publication in the Official Gazette and, if the Provincial Government so directs, in the principal vernacular of the District in a newspaper circulating therein a list of wakfs and a statement of the sums of the Wakf Administration Fund under the signature of the court in such form as the Provincial Government may prescribe. Under this section publication in the newspapers is necessary only if the Provincial Government so directs. Rule 25 of the Bombay Mussalman Wakf Rules, 1936, which inter-alia requires the publication of such lists, ~~xxx~~ and statement in a newspaper circulating in the district, is to this extent over-ridden by the provisions of section 6Q of the Mussalman Wakf Act, 1923. Consequently, in the absence of a direction issued by the Provincial Government under section 6Q of the Act, no publication of the list of wakfs and of the statement of the sums in the newspapers will be necessary.
